**Re: Spring Schedule**, as we know it—subject to changes/additions

All band performances are required and part of your grade, unless prior arrangements have been made or are specified as voluntary. We will have a few required rehearsals outside of school, in order to meet an acceptable performance level. The dates/times are determined by student recommendations.

*In the unlikely case that you cannot participate in any of these events, please bring a note from your parent or guardian immediately. **The note is required for the absence to be considered excused.***

Adults please volunteer to chaperone these events, if you are able. Thank you
