Re: Spring Schedule, as we know it—subject to changes/additions

All band performances are required and part of your grade, unless prior arrangements have been made or are specified as voluntary. We will have a few required rehearsals outside of school, in order to meet an acceptable performance level. The dates/times are determined by student recommendations.

In the unlikely case that you cannot participate in any of these events, please bring a note from your parent or guardian immediately. The note is required for the absence to be considered excused.

Adults please volunteer to chaperone these events, if you are able. Thank you.
